

CIS- ACE Announcer Red Bluff Elementary

April 2019

March Recap

During the month of March, students participated in various Dr. Seuss activities, many spring related STEM activities and learned new strategic ways to problem solve math and reading problems. The CIS-ACE staff along with our tutors have been focusing on preparing our students for their STAAR tests as they are approaching. During tutoring sessions, the students also participated in an escape room activity. Our Student Voice and Choice students also showed teacher appreciation by proving them with a small gift. In addition, our families were invited to attend the Red Bluff Elementary Annual Health Fair in where health lifestyle tips were provided to our parents.

April Showers

April is going to be filled with lots of spring related activities. Students will participate and learn about the different types of life cycles, different weather patterns, different parts of the ecosystem and many more engaging activities. Students will also have the opportunity to participate in various hands-on activities while still reviewing their core subjects!!

Parent Engagement!

On Wednesday, April 24th, Red Bluff Elementary CIS-ACE will be hosting a spring themed Painting with a Twist event from 5:00pm — 6:00pm. All CIS-ACE families are welcomed to join the fun. Refreshments, ACE bucks and summer camp information will be given to all families. Stay tuned!!! More information will be given to our families through our REMIND messages. 😊

See What's Happening!

Communities In Schools (CIS) and ACE are now on Facebook! Visit our new site at www.facebook.com/cistxjv.org. "Like"  our page to see the fun and exciting things going on at Red Bluff Elementary and all the various CIS and ACE locations. This page will be used to update you on upcoming events and announcements for our program. Visit our website at <http://www.cistxjv.org> to see more pictures and information.
