

CIS- ACE Announcer Red Bluff Elementary

December 2018

Winter Wonderland!!!

It's hard to believe its December already but CIS-ACE more excited than ever. During the month of December, our CIS-ACE activity coordinators will engage our students in holiday themed activities. Some of the planned activities include but are not limited to; learning the science behind snow, Christmas around the world, winter animals and exploring all the yummy treats this season brings us.

Fall Celebration!!

Our CIS-ACE Red Bluff students have all worked hard throughout the entire fall semester. As a reward, CIS-ACE will celebrate every CIS-ACE participant who have attended the program for 45 days or more, have improved their behavior and attendance in the program and during school and last but not least, those students who need that extra encouragement. During this celebration, the CIS-ACE students will be treated to pizza, ice cream, chips, drinks and a few more goodies. CIS-ACE will also have a special treat for the students who attended tutoring throughout the fall semester. During this celebration, the participants will also be able to participate in the last ACE Store of the year. We are expecting the ACE Store to be a hit!

Mother/ Daughter Event!

On December 14, 2018, Red Bluff Elementary will host a Christmas craft in the cafeteria from 6:30 PM to 8:00 PM. CIS-ACE has partnered with the counselor and school day staff to host this event to all Red Bluff families. CIS-ACE purchased some materials for this exciting event. In addition, the CIS-ACE dance team will debut a Christmas and hip hop performance for the audience. Don't miss out!! 😊
