

CIS- ACE Announcer Red Bluff Elementary

March 2019

STAAR Preparation!

While the STAAR test is still a month away, CIS-ACE can begin to sense the students' concerns. During program, we have and will continue to practice STAAR strategies and questions from previous years to help prepare our students. We will also continue to offer tutoring to students from all grade levels and allow additional time for homework completion. Our CIS-ACE tutors are making sure our students have every test taking tip and applied knowledge needed on the test. CIS-ACE would like to send out a HUGE shout out to all the additional commitment from all the teachers who are tutoring our students for the preparedness they need on their big day!

Parent Engagement!

On Thursday, March 21, 2019, families from Red Bluff Elementary are invited to attend 'Family Math Adventures' at the Children's Museum of Houston. This event will have activities for all participants. There will be 13 galleries of hands-on, minds-on fun activities and many more for students and parents to join the fun. Transportation will be provided to take families to the event and back. For more information about this FREE event, please call 713-535-7270.

On Thursday, March 21, 2019, Red Bluff Elementary will also host a Community and Health Fair from 4-6 PM in the cafeteria. Communities In School will have a booth and will be providing additional information about our program to our families during this time. In addition, we will use this time to advertise our program to future second graders and those parents who are in need of our services. For more information about this event, please contact our school counselor, Ms. Nichols.

See What's Happening!

Communities In Schools (CIS) and ACE are now on Facebook! Visit our new site at www.facebook.com/cistxjv.org. "Like"  our page to see the fun and exciting things going on at Red Bluff Elementary and all the various CIS and ACE locations. This page will be used to update you on upcoming events and announcements for our program. Visit our website at <http://www.cistxjv.org> to see more pictures and information.
