

CIS- ACE Announcer

Red Bluff Elementary

November 2018

Happy November!!!

As the holiday season fast approaches, it is the perfect time to pause and reflect on all the extraordinary things we are thankful for in our school and our lives. In CIS-ACE, we are truly thankful for the opportunity to encourage our students to strive for success. We are also thankful for all the support we have received here at Red Bluff Elementary. As we continue to add new and exciting curriculum to our program this month, we will encourage our students to show their gratitude to parents, teachers, classmates and everyone around them. Our activities will continue to be TEKS aligned and this month, there will be no exceptions. The students will learn about the American History, World Geography and Language Arts while doing various fall activities.

October Overview!

October is always a student favorite due to all the “SPOOK-tacular” activities CIS-ACE has planned for our students!!! Monster Mash activities were related to blood, bones, pumpkins, insects, and zombies but best of all, activities encouraged the students to use skills to reinforce what they have learned throughout the school day. Students learned about the states of matter while making slime during the Sticky Icky activity, they learned the layers of the dirt through yummy fall Pumpkin Dirt Cups, they learned about spiders and their web while incorporating their spelling words in Web Maze and so much many other engaging activities. CIS-ACE also had an excellent turnout on the Lights On Afterschool STEM Expo event that was on October 25th. Special shout-out to Ms. Lee, Mr. Hernandez and Mr. Marquez for attending and support us in this event.

Fall Fest!

On November 14th, CIS-ACE will host a Fall Festival full of fun activities for the entire family! It will be from 6:00 PM to 7:00 PM and the locations will vary. Be on the lookout for flyers, Remind 101 messages as information about the event will provided to you soon.

See What's Happening!

Communities In Schools (CIS) and ACE are now on Facebook! Visit our new site at www.facebook.com/cistxjv.org. “Like”  our page to see the fun and exciting things going on at Red Bluff Elementary and all the various CIS and ACE locations. This page will be used to update you on upcoming events and announcements for our program. Visit our website at <http://www.cistxjv.org> to see more pictures and information.
