Monster Mash!!!

Happy fall everyone!! As we move into the third month of school and program overall, we will continue to add new and exciting curriculum to our program. CIS-ACE is currently providing our services to a total of 70 students!! All participants get the opportunity to engage in homework help, thematic unit activities with TEKS aligned objectives and clubs of their choice. For the month of October, our thematic unit theme will be "Monster Mash." Students will engage in many "spooktacular" activities while focusing on objectives in their core subjects. Activities will include but are not limited to insects, skeletons, mummies, and pumpkins.

Lights On Afterschool CIS Event!

Lights On Afterschool is a nationwide event to call to attention the successes of afterschool programs.
